Dear Senator Pell:

The President asked me to acknowledge his receipt of your letter of February 22 suggesting that the Administration take certain actions to protest the death of Ambassador Dubs. As you know, the President has acted in several regards to protest the mishandling of this situation. However, he has asked me to share your letter with several of his advisers so that they might be aware of your concern.

Sincerely,

Frank Moore
Assistant to the President
for Congressional Liaison

The Honorable Claiborne ^xPell
United States Senate
Washington, D.C. 20510
